News from Wool N' Things

Hello my friends,

I can't believe that's it been nearly 2 years already... time surely goes by fast. My intention was to work in the store full time but an opportunity came along that I could not refuse. But, Wool N' Things will always be my number 1 priority and hopefully in a year or so I will be able to spend more than 2 days a week in the store.

The National NeedleArts Association (TNNA) Trade Show

I went to my first trade show (The National NeedleArts Association - TNNA) in June... and what a thrill it was! The first day I entered the trade show hall, I was totally overwhelmed and did not know which way to turn... so I decided to do a quick walk about... and Wow! I spent 3 days walking the show and talking with different vendors and still didn't have time to see it all. You will have to come to the store to see all the goodies I ordered!
